NORTHERN TERRITORY OF AUSTRALIA

This reprint shows the Regulations as in force at 1 February 1993. Any amendments that may come into operation after that date are not included.

EAST POINT AQUATIC LIFE RESERVE MANAGEMENT PLAN

Regulations under the *Fisheries Act*

1. Citation

This Plan may be cited as the East Point Aquatic Life Reserve Management Plan. (*See back note 1*)

2. Commencement

This Plan shall take effect from 1 February 1993.

3. Application

This Plan applies to the fishery management area known as East Point Aquatic Life Reserve declared by notice in *Gazette* No. S51 published on 8 October 1992.

4. Interpretation

In this Plan, unless the contrary intention appears –

"Reserve" means the fishery management area to which this Plan applies;

"sedentary organism" means a sedentary organism within the meaning of the *Continental Shelf (Living Natural Resources) Act 1968* of the Commonwealth, and includes part of a sedentary organism and a sedentary organism that is dead.

5. Amateur fishing permitted

(1) A person may, subject to this Plan, engage in amateur fishing in the Reserve.

(2) A person shall not, in the Reserve, take fish for sale.

6. Gear which may be used

A person shall use only rod and line and attachments, or handline and attachments, to fish for or take fish in the Reserve.

7. Undersize fish not to be taken

(1) A person shall not, in the Reserve, take a fish that is less than 30 cm long.

(2) A fish (other than a sedentary organism) shall be deemed not to have been taken if, as soon as possible after it has been taken, it is returned, with as little damage to the fish as possible, to the water from which it was taken.

(3) A person shall not, in the Reserve –

(a) take a sedentary organism; or

(b) injure or destroy a sedentary organism, other than a sedentary organism brought into the Reserve by the person.
